

EQulS[®] Enterprise

Viewer Licensing Agreement Product

EQUIS ENTERPRISE THIRD PARTY ACCESS

EQulS licensees may grant and manage Enterprise viewing and reporting rights to third parties (non-EQulS licensees) with the following Viewer Licensing Agreement (VLA) products.

PAY PER USER

The Pay Per User (PPU) VLA accommodates individual users with unique login credentials and viewing and reporting permissions.

PROJECT

The Project VLA accommodates an unlimited quantity of third-party users. The EQulS licensee defines access to facilities and reports through a project defined URL to public-facing EQulS Enterprise dashboards.

REQUIREMENTS & FEES

- ✓ Term licensing—subscription fee only.
- ✓ Licensee designated third party user Active Client Access License (ACAL).
- ✓ All fees are prepaid in accordance with client's Software Maintenance Agreement (SMA) renewal or EQulS Online (EOL) payment plan.
- ✓ EarthSoft Support Services provided to licensee and not to the third party user.
- ✓ Annual reporting of PPU VLA users required prior to SMA or EOL contract renewal.
- ✓ Viewer License Agreement products are available to EQulS licensees in good standing.
- ✓ Requires executed EQulS End User License Agreement (EULA) Mutual NDA is contained within the EULA.
- ✓ Requires executed Viewer License Agreement.
